

First Place MDO & Preschool 2010-11 Registration Information

Thank you for your interest in the First Place MDO & Preschool programs. Priority registration for the upcoming summer and fall programs is complete. Limited openings are available in various classes and open registration will continue through March. If you are interested in receiving more information regarding openings for our summer and fall programs you can contact us via email a glawler@firstchurch.net or by phone at 469-568-1250. In the event there is an opening available you are welcome to arrange to come by for a tour or register by mail. If your child does not receive placement in our program and you want their name to be placed on the wait list, your enrollment form will be kept on file for reference. Please note that no fees are collected until your child has been placed in a class. **Once collected, registration fees are non-refundable.**

Our fall program begins in late August and runs through mid May. See detailed information under **Program Overview** link. The fun-filled summer program runs for 7 weeks and is much less structured than the school year program. The summer program is Bible based with songs, stories and crafts as well as indoor and outdoor activities. The dates for this year's summer program are June 8th through July 29th. Daily time frame for fall is (8:45-2:15) and for summer is (9:00-2:30). For families with CCA siblings, an extended hour is available to 3:15 (fall program only) for a set monthly rate.

If you are in need of before and/or after school care in the fall, it is available for 3,4 and 5 year olds through the **CCA Child Care Center**. There is also full summer care from 7:00 am-6:00 pm for ages 4 years-5th grade. Contact Carolyn Davis or Peg Kincaid at the Child Care Office at 469-568-1256 for cost and enrollment information.

--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Please note that if there is not currently a fall opening in your child's age group we would strongly recommend that you let us put your child on our wait list. In the event that a position comes available we will refer to our waiting list to fill the position. No fees are collected until your child receives placement.

We look forward to getting to know our new families and hope you will find our program a warm, welcoming, loving place where you will feel comfortable and confident that your child will have wonderful experiences.
