

First Place MDO & Preschool 2012-2013 Open Registration Information

Thank you for your interest in the First Place MDO & Preschool programs. Priority registration for our upcoming summer and fall programs will be held January 17th through February 2nd. Priority registration is available for current program members, church members and CCA families.

Open registration for any remaining positions will begin on February 6th.

For your convenience, enrollment forms will be on line and available to print off, complete, and return in person or by mail once the registration process begins. Please note that for our school year program, one form is required for each child enrolled. For the summer program, one form can be used for up to three siblings enrolling. Forms will be available here on the website beginning January 17th and we will begin accepting enrollment forms on Monday Feb. 6th. **OPEN REGISTRATION FORMS WILL NOT BE ACCEPTED BEFORE MONDAY, FEB. 6TH.** The forms will be numbered in the order they are received and open positions will be assigned in that order. You will be contacted by phone if we are able to assign a position to your child.

If your child does not receive placement in our program and you want their name to be placed on the wait list, your enrollment form will be kept on file for reference. Please note that no fees are collected until your child has been placed in a class. Once collected, registration fees are non-refundable.

If you are in need of before and/or after school care in the fall, it is available for 3,4 and 5 year olds through the **CCA Child Care Center**. There is also full summer care from 7:00 am-6:00 pm for ages 4 years-5th grade. Contact Carolyn Davis or Peg Kincaid at the Child Care Office at 469-568-1256 for cost and enrollment information.

We look forward to getting to know our new families and hope you will find our program a warm, welcoming, loving place where you will feel comfortable and confident that your child will have wonderful experiences.

Ginny Lawler, Director
